To whom it may concern,
My name is Harold D. Smith.

I would like to express my opinion on the issue your petition 04-160. I urge you to reject this petition. I love this service that xm is providing me. I pay a monthly fee for this services and I can chose the type of music or talk shows in which to listen to. Some of the shows that I listen to are old time radio and old country. There are no stations that supply this kind of entertainment 24/7. So please support XM's ability to provide the kind of programming that I demand and deserve.
